

HKHS SALSA

Water Station

Mackenzie Waterhouse and Jamie Renton

Why?

Seven in 10 Australian men are overweight or obese

One in two

Women are overweight or obese

One in four

Children are overweight or obese

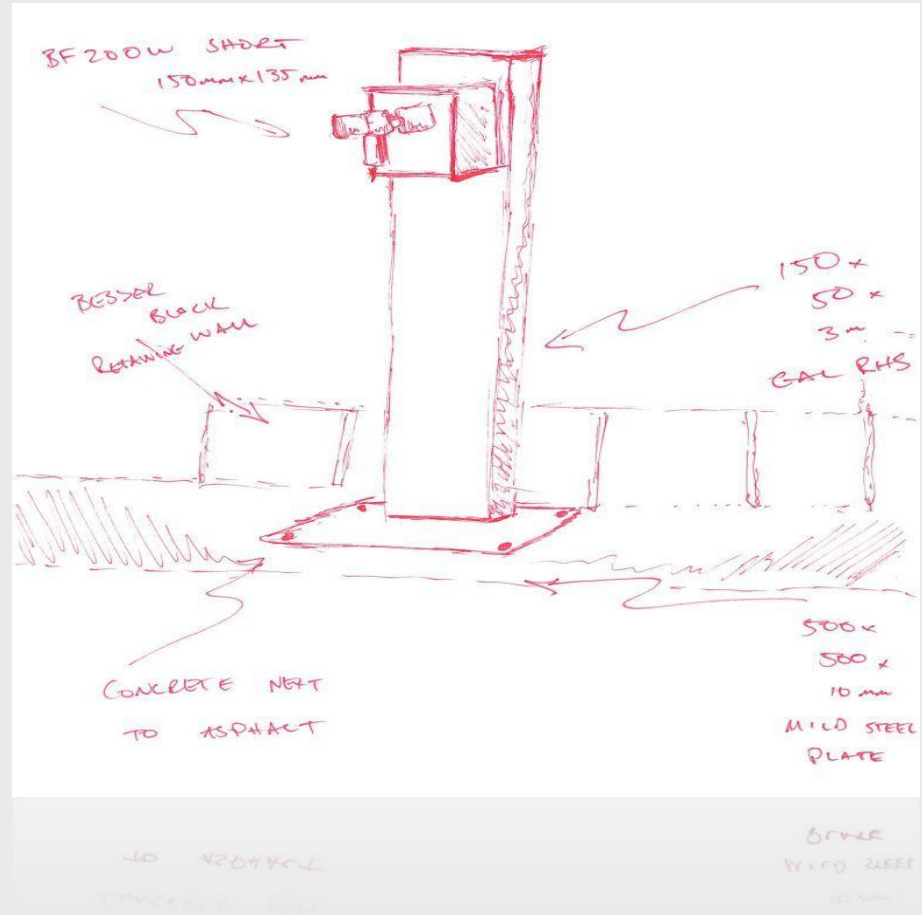

Sport Culture of HKHS

- ★ A high percentage of students participate in carnivals.
- ★ HKHS has also added a new weekly sporting system at breaks called 'Let's Move at Lunchtime'.
- ★ PASS is a popular elective for year 9/10 .
- ★ Students like to move around and play sport rather than just sit down during breaks.

Water Station Design

Support to Action our Water Station

We approached:

- ★ The P&C
- ★ Principal and deputies
- ★ The school community

We also consulted and gained the support of people in our wider community which helped make the project a success.

The Process

1. Developed a plan
2. Sought donations
3. Acquired a quote
4. Finalised our design
5. Presented to P&C
6. Organised construction with our GA

Challenges

Cost

- ★ We needed to raise \$2000

Plumbing

- ★ Was not in the correct spot
