

CHALLENGE

DAY

By: Rooty Hill High School
2023 Year 10 SALSA leaders

IDEA BEHIND CHALLENGE DAY

The concept that inspired us to create Challenge Day was “The Year 10 College Games”. The college games are a series of sport tournaments between all the different PDHPE classes in year 10.

How college games work?

- All PDHPE classes choose a university/college to represent.
- The classes also have different colours according to their chosen university or college.
- There are different pools that the classes verse in, and it all leads to a “Grand Final” where the winning classes from either pool verse.

MORE MORE MORE !!

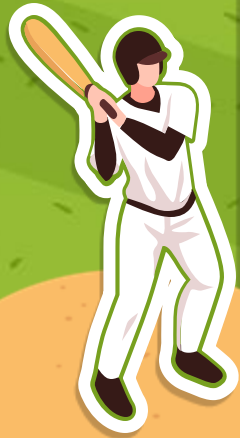

WHAT IS CHALLENGE DAY?

Challenge day is a day for all year 10 to test their skills in pesapallo!!

This day will be held on Monday Week 9B, 4 December 2023.

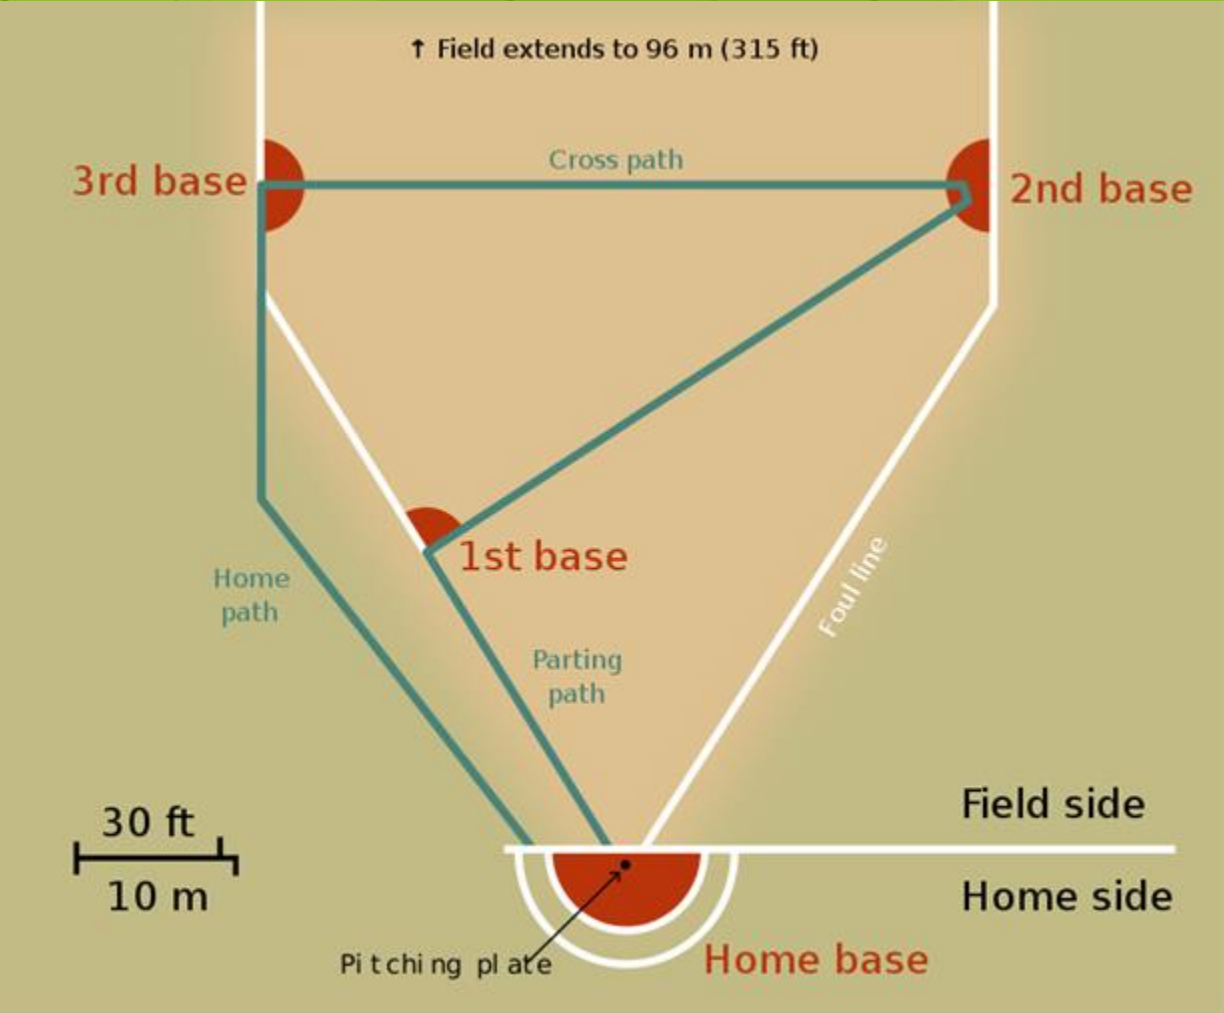

PESÄPALLO!

CHALLENGE DAY GIVES EVERYONE A FAIR CHANCE TO PARTICIPATE AND HAVE FUN. THE CHOSEN SPORT 'PESAPALLO' IS A NEW GAME THE STUDENTS AREN'T FAMILIAR WITH. THIS WAY ALL THE STUDENTS HAVE ROUGHLY THE SAME ADVANTAGES. EVEN IF THEY HAVEN'T PLAYED THE SPORT BEFOREHAND.

MAIN OBJECTIVE OF THE GAME

BATTING

- Each member has to bat and will use a tennis racquet.
- The teacher will pitch the ball 1m above the batters head.
- The ball must land inside the designated area.

FIELDING

- Fielders get the batters out by getting the ball to the base before the batter does.
- If the ball is caught on the full, the batter is not out.
- 25 minutes games - each team will play for 11 mins each, and the number of home runs after 11 mins are your team points.

RUNNING

- 3 Bases are formed in a zig-zag pattern
- After the batter hits the ball, they run towards the bases in order. They can have up to 5 players camped on one base.
- The team with the most runs at the end of 25 mins is the winner.

1 point is scored if you get to 3rd on one hit (home run) then that player gets an extra point if they get home.

WHERE THE GAMES ARE HELD

- THE GAMES WILL BE HELD ON THE BOTTOM OVAL. LUNCH WILL BE PROVIDED FOR THE STUDENTS IN FRONT OF THE ANNEXE.

WHERE:

LOCATION

- ROOTY HILL HIGH SCHOOL
