

Colyton Cup

Salsa Youth Voices Action Day

OUR PLAN

Colyton High School's action plan is all about creating unison amongst our school community, we're creating this by presenting a school gala day to the years 5 to 6

Goal 1

- Increase positive behaviours amongst all students

Goal 2

- Get student active and engaged

Goal 3

Create an awareness for a positive lifestyle

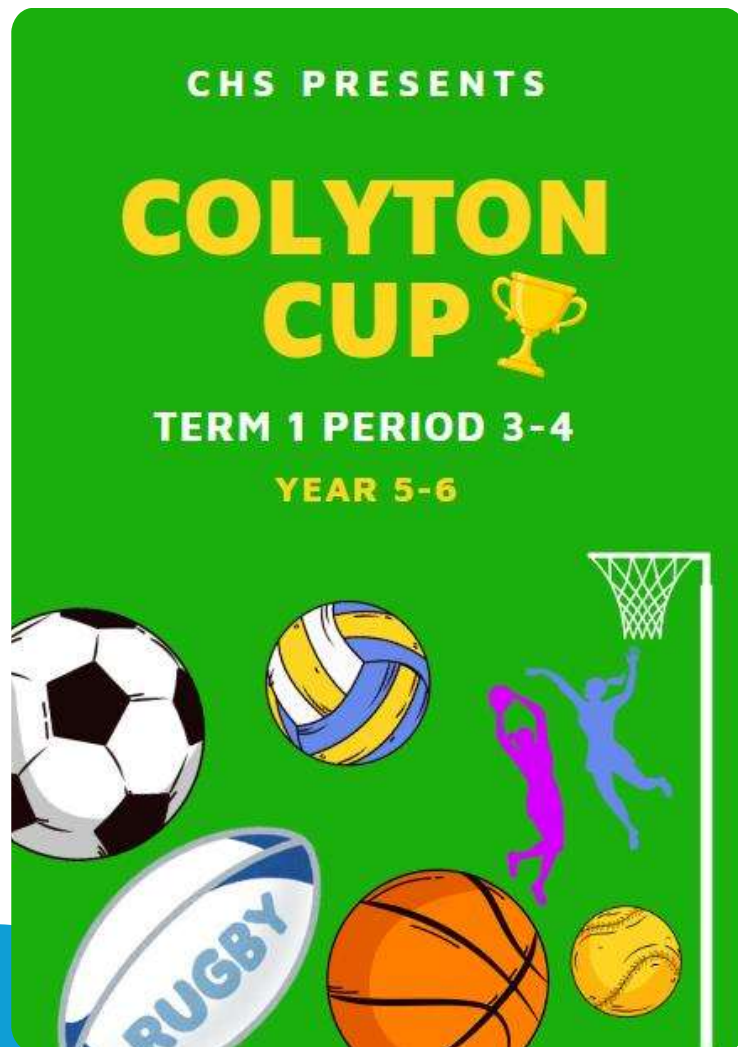

Goal 4

- Creating positive relationships for transition into high school

The Process

- **Step 1:** After completing the SALSA program with our year 7's and growing an understanding for the importance of a healthy lifestyle, we were given the opportunity to attend SALSA youth voice day at Sydney Giants Center to develop a action plan.
- **Step 2:** Kym assisted us with the idea of activating our plan. Our original thoughts was the create an in school gala day however that quickly change into educating primary students in years 5 and 6 aiding their transition into high school.
- **Step 3:** As a team we finalised our action plan and began to add the finishing touches.

Promoting Our Plan

- Colyton High School used strategies to gain the primary students attention, there are three main techniques to promoting our plan
- The use of colour on our poster can be placed around the school to captivate primary school students.
- Promotional video created by our social media team.
- As well as our peer leaders advocating the day
